Work History

2013

Private Programming Teacher

Java & C/C++

📅 (2013 - Present) | 📍 Malaga, Spain

I've been giving private programming classes since my second year in the university.

2014

Tecem, Abogados y Consultores

Computer & Network Technician, Web Developer

📅 (2014 - 2015) | 📍 Malaga, Spain

I worked as a computer and network technician, building a safe and efficient environment in a lawyers office. I developed too their official website and built an online newsletter service and a social platform to contact customers.

2013

LanguageFriends

Android & Web Developer

📅 (2013 - 2014) | 📍 Barcelona, Spain

LanguageFriends was a start-up project in which I worked as an Android and web developer. The start-up, Think Big, was lead by Telefonica Spain.
